

BEST WESTERN SWAN HOTEL

Green Policy

At the hotel, we are committed to environmental awareness.

We comply with the requirements of environmental legislation and a proved codes of practice.

We endeavour to reduce waste by re-using and recycling.

We monitor the use of energy and water and implement changes where possible to reduce consumption.

We promote staff and guests awareness of green issues.

We use local suppliers or suppliers with proven environmental policies.

We are associated with a number of green organisations in a continued effort to learn and adopt good working practices as a sign of our continued commitment to Green Tourism.

We actively support the local community, charities and schools.

We would ask for your support in helping us to achieve our objectives.
